June 2nd, 2024

Sermon notes:

The ruin of mankind 12-14

- *Understanding a truth about Adam’s sin*

- *The Law makes sin apparent and sharply defined*

The rescue of mankind 13-19

- *Adam was a “pattern” or “type” of him who was to come*

- *Not only did Jesus do away with sin, but restored what had been destroyed*

The reign of mankind 20-21

- *God’s law was never the means for righteousness*

- *“Increased all the more” means grace is unending*

no matter how great one’s sin is, no one is beyond God’s amazing grace
