

The Reward of Purity

Matthew 5:8

Mar 15, 2026

1. **A daunting requirement**

- The necessity of the beatitude's call for radical inner purity is a heart that does not bring mixed motives and divided loyalties to its relationship with God

2. **A deep realization**

- When we cast ourselves on the grace of God, asking Him to implant the character of the kingdom into our lives, we receive His radical renewal

3. **A defining reward**

- The more our hearts are focused on God, the more we are absorbed with Him, the more we are concentrated on His being, the more we will see Him; the more His word will speak; the more His creation will declare

Approved of God are those with a clean, undivided loyalty to Him, for they will continuously see God in life and in eternity
